### Description

The stainless steel VESA wall mount for industrial panel PCs and displays is characterized by an adjustable tilt angle and a load capacity of up to 13 kg.

The stainless steel allows it to be used in clean and hygienically demanding environments.

The wall mount with Vesa mount 75 mm x 75 mm and 100 mm x 100 mm is available in 2 versions: stainless steel (type 304) or in harder stainless steel (type 316)
